2119 ADDISON #5

BERKELEY, CA 94704

THE R*KIIV LINE

R*kiiv miniatures have been previously released under the Archive name. The company is under new ownership, and production standards have been dedicated to quality. A high quality lead mixture is used for all R*kiiv miniatures. Figures in the select retail line are available with blistercard packaging. All other miniatures will be bagged and/or boxed, depending upon the size of the figure(s) ordered.

Arduin and Star Rovers figures are produced and sold under license from their respective owners. The key on the "Contents" page explains the identifying symbols used in this catalogue to denote such licensed figures, as well as figures currently in the select retail line.

ORDERING INFORMATION

A select line of R*kiiv figures is available in retail stores. Selections will be changed from time to time. Stores can special-order any of the R*kiiv figures, or you can order them yourself by using the Toll-Free GAMELINES. To order another copy of this catalogue, request a current price list, or to mail-order R*kiiv products, use the address below.
